Good morning, Mr. Boak –

My colleague, Laura Rowley, referred me to you. Attached is a letter that I am sending today to the Attorney General of Maine and to the Commissioner of the Maine Department of Environmental Protection providing notice of an upcoming Clean Air Act complaint against, and settlement with, Global Partners LP, Global Companies LLC, and Chelsea Sandwich LLP, that the United States Department of Justice (acting on behalf of the U.S. Environmental Protection Agency) intends to file in the U.S. District Court for the District of Maine. We'd appreciate your forwarding the attached to the appropriate colleagues within your office and Maine DEP. Thank you, and please feel free to contact me if you have any questions.

Sincerely,
Pat Bryan
